2. Substitute the following for the existing regulation 4 and 5 of the Mormugao Port Employees' (Pension and Gratuity) Regulations, 1966 (hereinafter referred to as the said Regulations) namely:—

"Regulation of claims to pension or family pension.

4(1) Any claim to pension or family pension shall be regulated by the provisions of these rules in force at the time when an employee retires or is discharged or is allowed to resign from service or dies, as the case may be.

(2) The day on which an employee retires, or is discharged or is allowed to resign from service, as the case may be, shall be treated as his last working day. The date of death shall also be treated as a working day.

"Reduction in the amount of pension for unsatisfactory service.

5(1) If the service rendered by an employee prior to the date of his retirement has not been satisfactory, the appointing authority may by order make reduction in the amount of pension or gratuity, or both, as that authority may think proper.

Provided that the appointing authority shall before passing an order under this sub-regulation serve or cause to be served a notice upon the person concerned specifying the reduction proposed to be made in such amount on account of his unsatisfactory service under Board and call upon such person to submit within fifteen days of the receipt of the notice or such further time as may be allowed by that authority, such representation as the person concerned may wish to make against the proposed order and take into consideration the representation, if any, submitted by such person before passing such order.

(2)(a) The appointing authority may delegate power to a subordinate authority for deciding if the service rendered by an employee has been satisfactory and, therefore, no reduction in the amount of pension, or gratuity, or both is called for.

(b) The power under clause (a) shall be delegated in respect of a category or categories of employees who may be subordinate to such subordinate authority.

(3) For the purpose of sub-regulation (1) and sub-regulation (2), the expression 'appointing authority' shall mean the authority which is competent to make appointments to the service or post from which the employee retires.

(b) The measure of reduction in the amount of pension shall be to the extent by which the employee's service as a whole has failed to reach a satisfactory standard and no attempts shall be made to equate the amount of reduction with the amount of loss caused to the Board.

(5) The pension authorised under these regulations shall not be reduced although proof of the service having been not satisfactory may come to the notice of the appointing authority subsequent to the authorisation of pension.

(6) Nothing in this regulation shall apply—

(a) Where a part of pension has been withheld or ordered to be recovered under regulation 7; or
